

## PAYMENT OF WITHHOLDING TAX

Beginning 1 April 2012, STARS has provided new WITHHOLDING TAX FORM available online in STARS website.

However, some companies are still submitting their Withholding Tax Form in hardcopy using the old Form which has affected the process of updating the payment status in STARS.

In this regard, we would like to seek your cooperation in filing the Withholding Tax Form online using the new Form provided in the STARS website.

Your kind cooperation on this matter is highly appreciated. Thank you.
