

Registering for STARS

Directors, Employees, Tax Agents and Individuals

- To take advantage of the simple and convenient online services of STARS, you must first register as a STARS user.
- After successful registration, a confirmation email will be sent to your nominated email account containing an activation link and further instructions.
- Once you have activated your account, you will have access to STARS by logging in with your User ID and password. Note that the User ID refers to the identification number or passport number used during registration.
- To enable access for an employee to perform tax matters on behalf of the company, the company director **must set up a relationship with the employee in STARS.**
- To enable access for a tax agent to perform tax matters on behalf of the company, the company director **must set up a relationship with their tax agency in STARS.**

Benefits of eRegistration

- Convenient online self- service capabilities available 24 hours a day, 7 days a week thus encouraging more timely submissions
- Smart forms with built-in validations to minimize errors in tax computations
- Real-time access to assessment status of submitted income tax forms as well as status of refund requests
- Access to statement of account online
- Online payment via internet banking channels
